The Russell Home Needs A New Home

The Russell Home for Atypical Children in South Orlando has been in continuous operation for over 50 years without any government support. The Russell Home is the only private, non-profit facility of its kind for severely handicapped children in Central Florida. They depend on private donations to continue to operate. It is their goal to have a new home built in 2012 to replace the existing one that is beyond repair, with our help we can make their goal a reality.

Each year at this time, we ask our members who can help to please make a donation. Any donation, no matter how small, makes a big impact in the lives of the kids and adults that this great organization helps. For your convenience, donations can be made at any of our locations or from our website at www.mccoyfcu.org, thank you!
