New myMcCoy & Bill Pay Conversion Update #2 *Critical information for all myMcCoy users*

All New myMcCoy Online & Mobile Banking & Bill Pay is coming April 23, 2018 -

ARE YOU READY?

For complete information regarding the conversion including demos, FAQs, guides, critical dates and more - please go to our home page www.mccoyfcu.org.

How will the conversion process work?

The old system will be shutdown April 22 prior to the launch of the new system - you will be able to access the new myMcCoy on or after April 23, 2018 at approximately 10 AM.

Everyone will need to go through a simple enrollment process to access the new system. For a complete step-by-step enrollment guide, [CLICK HERE](https://www.mccoyfcu.org/uploads/EnrollInstructionsFinal4.pdf). (<https://www.mccoyfcu.org/uploads/EnrollInstructionsFinal4.pdf>)

We have increased our Call Center staffing for the conversion, but you should still expect higher than normal call volume and wait times.

For Apple iOS - the new myMcCoy app will be published as an update. You will need to update your existing myMcCoy app and the new system will be accessible. Apple takes 1 or more hours before releasing apps to iTunes so it may be midday (or later) before the new mobile app is ready.

For Android - the new myMcCoy app will be published as a new app. You will need to delete your old app and download and install the new myMcCoy app from the Android store. The new mobile app should be ready in the morning to install (after deleting the old app).

I'm a Bill Pay user. What do I need to do for the conversion?

Important Information For Shredding Events

Shred Day events are free to McCoy members only. Please bring proof of credit union membership to show upon request. (Example: membership card, debit or credit card, checkbook or statement). Because of the popularity of our Shred Days, shredding will be limited to 5 legal size boxes (about 50 pounds) of material per vehicle. Documents, file folders, envelopes, checkbooks and similar items can be shredded; staples and paper clips do not need to be removed.

NOTE CHANGE: All plastic trash bags and cardboard boxes cannot be shredded and will be returned after emptying the contents.

Iron Mountain processes all destruction at their secure facility. All material that is placed inside the secure vehicle is compacted and driven to Iron Mountain's facility directly after completion of the event where it is shredded immediately in Iron Mountain's industrial shredder.

Iron Mountain's destruction process meets or exceeds all NAID (National Association for Information Destruction) standards. All information is 100% secure and free of potential breach once it is placed inside the vehicle.

The following items cannot be shredded:

- Wet material
- Plastics | 3 ring binders | Heavy-duty metal clips
- Electronic Media
- Medical X-Rays
- Plastic Trash Bags or Cardboard Boxes

Shred Day events are on a first come, first serve basis and will run for the scheduled time or until the shredding truck is full, whichever comes first.

**Member Notice: Verification Of
